

ClassMaster

Streamlining Class Management System

Login

The Users can create an account and Login to the system under different access levels.

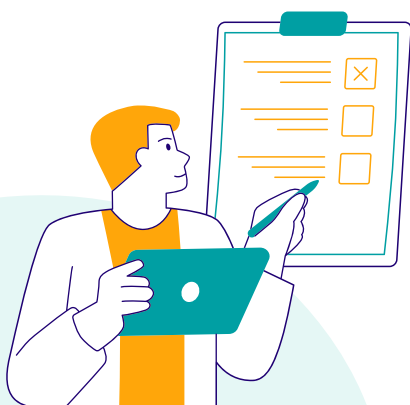

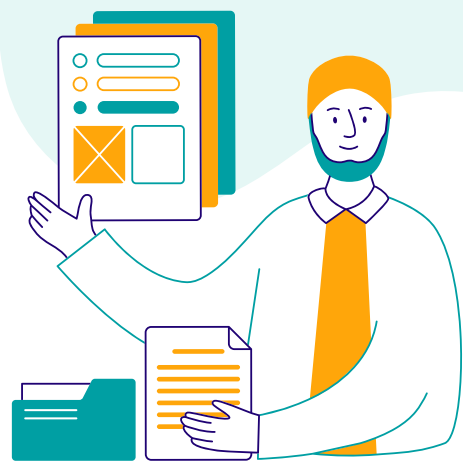

Class Scheduling

Allows teachers and institutes to plan and organize classes with specified times and dates.

Attendance & Monitoring

Tracks student attendance in real time, with automated summaries and alerts for irregularities.

Assignment Submission

Enables students to submit assignments online and teachers to review, grade, and provide feedback. Teachers can upload study materials like PDFs for students to access and download.

Communication and Notification

Facilitates announcements, notifications, and messaging between teachers, students, and institutes. Sends automated or custom **SMS** notifications to students, parents, or teachers for important updates

Payment Gateway

Allows secure online fee payments and generates receipts for students and institutes.
